Corrections - Revised 9.14.15.pdf

Pursuant to discussions with chambers, I am attaching a revised version of the Government's proposed corrections to the Ulbricht trial transcript. Changes to the original version (which are slight) are reflected in red. If there are any additional revisions to the corrections that chambers believes should be made, please let me know and I can make them before filing the revised corrections on ECF.

I have run these corrections past defense counsel, who have not voiced any objection to the revisions.

Thank you.
